Introduction

1. Dr E is a Dentist of X.
2. On 13 July 2012, the Professional Conduct Committee laid a disciplinary charge against Dr E with the Tribunal.
3. At a directions conference held on Friday, 17 August 2012, it was directed that the charge would be heard by the Tribunal on Thursday, 08 November 2012 in Hamilton.
4. On behalf of Dr E, counsel made application for interim orders prohibiting publication of name and identifying features.

8. The making of this order is not to be taken as an indication one way or the other as to whether a final order would be made by the Tribunal, if such an application was made.
